Sir,

Reference.

Your docket No. 1792 dated 3rd December 1907 forwarding for report memorial No. 2200/573 dated 5th October 1907 from Subbatta and others praying for the grant of timber and rough stones for repairing dilapidated temples in Sagar and Nagar Taluks.

I have the honour to state that the signatories of the petition not having presented themselves in response to notices issued to them Shivappa Patel of Gadikatte in the Sagar Taluk, who was one of

the

the prominent members of the meeting held at Sagar in pursuance of the resolutions passed thereat the memorial under advertance was submitted to His Highness the Maharaja has been examined and his statement is forwarded herewith for information.

2. From his statement it will be seen that the memorialists have not in view any particular temples, but they pray for a general order regarding the free grant of timber and stones whenever villagers undertake to repair or restore village temples.

3 In both the Sagar & Nagar Talukhs every village has a number of temples. Some of them are in good condition, while others from long neglect have fallen into disrepair. Occasionally the villagers restore some of the old temples by raising subscriptions among themselves and

and such cases occur few and far between. The memorialists pray for the free grant of timber and stones whenever they undertake to do it. This, I consider, is a most reasonable request as the free grant of wood and stones will go a great way to help them. I therefore recommend that the prayer of the memorialists may receive favourable consideration.

4. I am of opinion that the quantity of rough stones required may be given free of royalty in all such cases whether for repairs or restoration of temples, and that as regards timber, free grant may be made in cases where villagers undertake to restore dilapidated old temples regulating, as shown below, the quantity of wood on the amount of subscription raised by themselves:-

50. cart-loads when the amount of subscription exceeds Rs. 2000.
30 - do — do ——— Rs. 1000.
15. do - do ——— Rs. 500.

5. In cases where repairs of the existing temples are concerned the required quality of timber and bamboos may be granted on the rates of Seigniorage prescribed in Government Order No. 6084 - Ft. I 105-95 dated 8th January 1896, as in these related tracts the temples equally with the houses of ryots stand in need of periodical repairs.
